

Leona Gray

Director of Admissions, School of Psychology, Wright State University

Ms. Leona Gray serves as the Director of Admissions and the Director of Alumni Relations at Wright State University School of Professional Psychology (SOPP). In this capacity she is responsible for the overall leadership and management of the Office of Admissions and the Office of Alumni Relations which includes strategic planning, program development, student support services, career counseling, financial aid and selection of students who enter the program. She also is responsible for the development and management of programming for the alumni of SOPP and serves as the development officer for fundraising.

Ms. Gray's also is experienced in creating and facilitating programming that is designed to address the critical need for greater numbers of minority students gaining entrance into graduate school programs in psychology. As past Associate Director to SOPP's Health Careers Opportunity Program in Psychology, she developed and designed summer programming for undergraduate students interested in psychology which included team building skills, writing skills enhancement, test preparations, public speaking and time management skills.

Ms. Gray holds a B.S. degree in Marketing from Capital University and currently is pursuing her Masters Degree in Applied Behavioral Sciences. She has received numerous awards and certifications which include the Wright State University President's Award for Excellence in Human Relations, the Outstanding Service and Dedication Award for the School of Professional Psychology and the School of Professional Psychology's Omintha R. Petrie Diversity Award. For several years Ms. Gray served as guest speaker and panelist on the Ohio Northern University Undergraduate Research Colloquium and holds positions on numerous university and community wide boards and committees. This past year she was co-chair of Wright State University's Quest for Community across Campus Committee which is a community wide diversity conference, and currently serves as a member on the School of Professional Psychology's Community Advisory Board.
